Eppeltone Engineers Ltd

Secures Landmark ₹5.74 Crore Service Order Strategic Entry into AMI Service Segment

NEW DELHI - April 22, 2026 - Eppeltone Engineers Limited (the "Company"), a leader in energy meter manufacturing, is pleased to announce the receipt of its maiden domestic service order valued at **₹5,74,13,237/- (Excluding Taxes)**. The order involves the supply of specialized services for Advanced Metering Infrastructure (AMI) projects for AMISPs and their Special Purpose Vehicles (SPVs) on a PAN-India basis.

A Strategic Evolution

This milestone marks Eppeltone's transition into a service-led model, reducing dependence on manufacturing cycles while strengthening revenue resilience. The Company is now well-positioned to capture opportunities across the entire smart metering value chain, aligned with India's digital power distribution growth.

Key Highlights

- **Order Value:** ₹5,74,13,237/- (Excluding Taxes).
- **Scope:** AMI Projects for AMISPs and SPVs (PAN-India).
- **Nature of Order:** Supply of Service (Domestic Entity)
- **Strategic Impact:** Diversification into high-growth service verticals.

Mr. Deven Chowdhary, Executive Director of Eppeltone Engineers, said: "This milestone reflects our growing capabilities and strategic direction. By combining services with our manufacturing strengths, we are transitioning from a product-focused approach to delivering end-to-end solutions. This strengthens our position in the smart metering ecosystem and unlocks new growth opportunities for our stakeholders."

About the Company

Eppeltone Engineers Ltd., established in 1977, is one of India's most trusted metering technology manufacturers, having entered the energy meter segment in 1999 and steadily built a strong industry presence. Today, Eppeltone operates a 36,000 sq. ft. advanced facility in Greater Noida equipped with modern machinery and a NABL-approved R&D testing lab. The company holds CMMI Level III, ISO 9001, ISO 14001, ISO 27001, and the 'S' Mark safety certification (under ambit Ministry of Electronics and Information Technology, GOI), along with DSIR certification (under ambit of Ministry of Science & Technology, GOI), and the product is TEC certified (under ambit Ministry of Communications, GOI) and is empanelled with more than 30 DISCOMs, CPSUs, and major turnkey contractors across India. With a focus on high-quality and cost-effective metering solutions, Eppeltone supports utilities in reducing AT&C losses along with energy measurement.
